♥ The end ♥

As the church bell rings, she follows the flowery road filled with blessings of many, and at the end of it awaits...
Whoa! 3 men as a groom?!
Soon after, with sweet voices, 3 men desperately speak...
"We love you our lovely bride♥"

Ah ha, I get it now. This is a dream. They would never say those words in reality. Yes, this is a dream. Just a dream!

A sweet dream dreamt by the 3 men.

Kim Yoon Jung (The author)

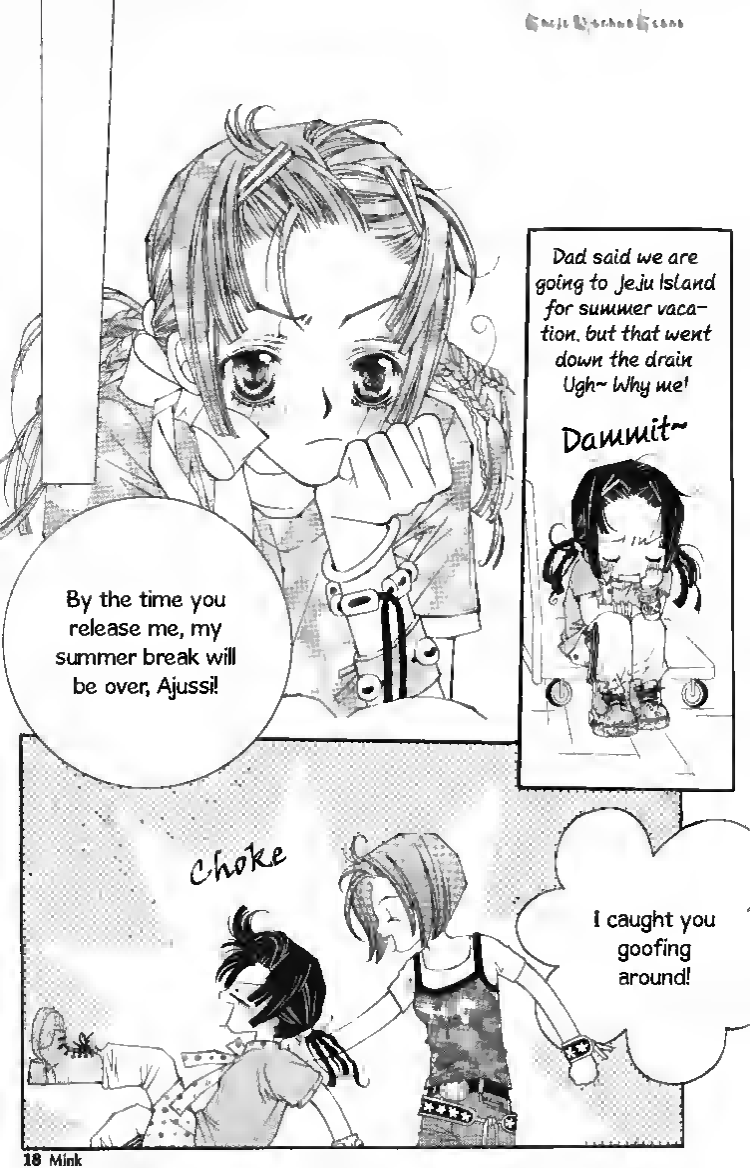
Will you offer me your body, lady?

Bam
Heave!
I... I finished!
Uugh, my body is aching all over after doing labor work

"What are you going to do for me in exchange?"
"Anything that I'm capable of doing!"
Geez~ That meanie Ajussi* better watch is back~
"Oh yeah? Then, will you offer me your body, lady?"

Mi... Mister Leonardny!
Oh, was my wording a bit weird? Then I'll say it again.
I need someone to take charge of errands.
Of course with no salary.

Oh ha ha ha ha--
There's no reason for you to have that kind of expression, as if you're going to get killed.
I will release you once the fashion show ends next month.
D...don't tell me I have to work for free lifetime long!!!!



Dad said we are going to Jeju Island for summer vacation, but that went down the drain Ugh~ Why me!
Dammit~
By the time you release me, my summer break will be over, Ajussi!
Choke
I caught you goofing around!

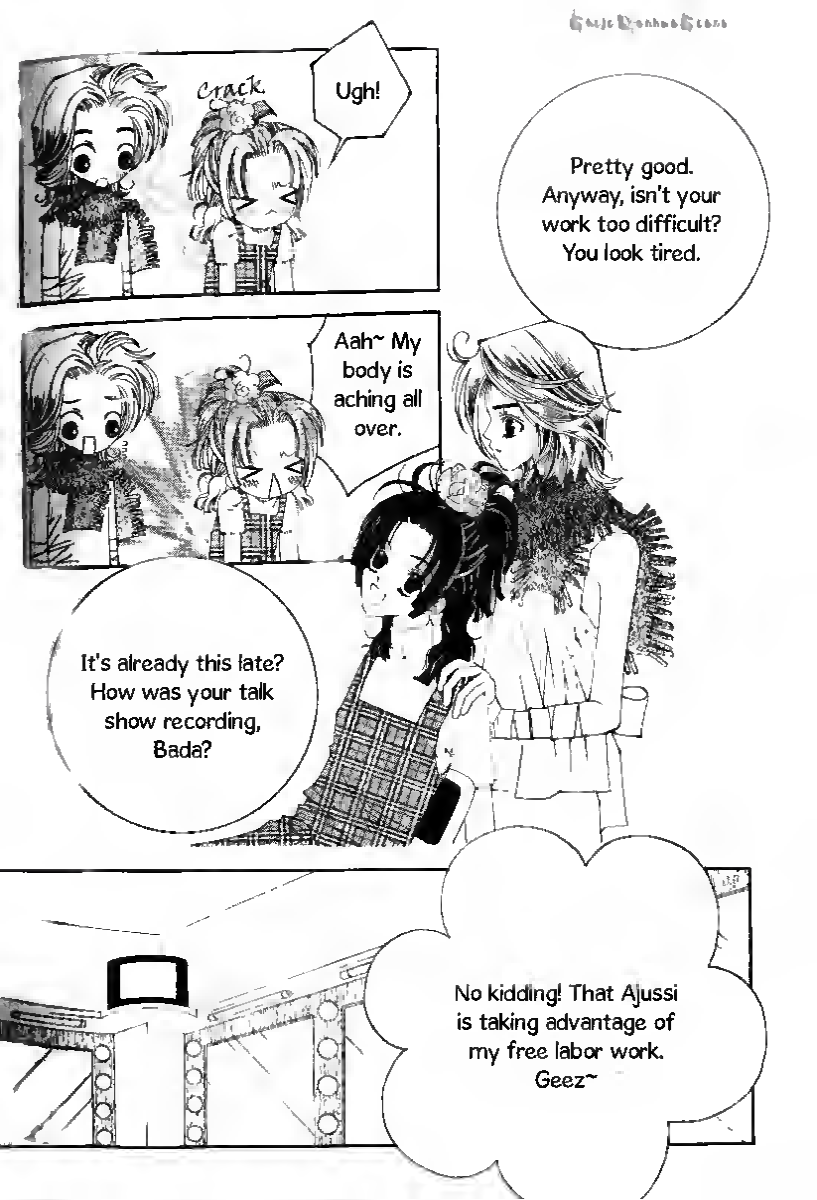
Eh~ This is unfair, manager! It was just a quick break after organizing the storage~~
Oh my, did you finish already?
I'm sorry for telling you now, but you have to reorganize these by type.
What the heck~

UWAAH~ YOU'RE TOO CUEL~~
Oh by the way, director, can I ask you why you offered the girl a chance?
That, of course, was just for fun.
Danbi, eat some snacks before going back to work. I bought your favorite dumplings and Ddukbokgi*. Cheer up~~♡
SOTAN

*Ddukbokgi is a spicy rice cake.

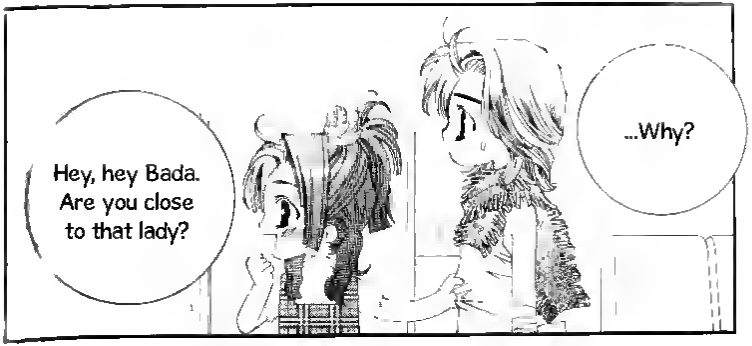
There's nothing more interesting than other people's love life.
Especially for Eden who is known for his perfection in work, yet he ditched the shooting for the girl. I can't describe how interesting this is

NBC
...Hey,
Danbi!
Wake up, Danbi!

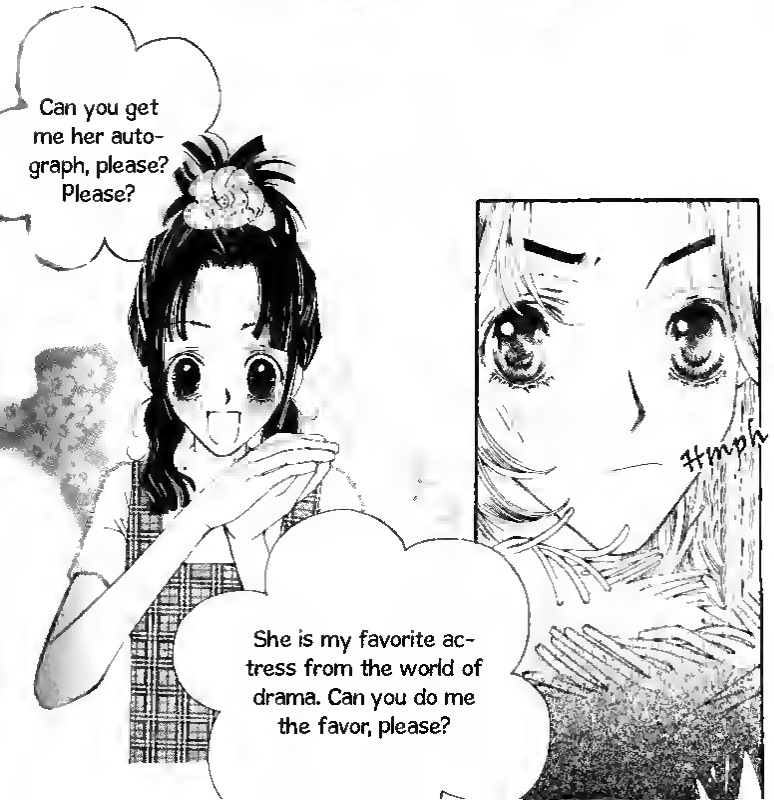


Crack.
Ugh!
Pretty good. Anyway, isn't your work too difficult? You look tired.
Aah~ My body is aching all over.
It's already this late? How was your talk show recording, Bada?
No kidding! That Ajussi is taking advantage of my free labor work. Geez~

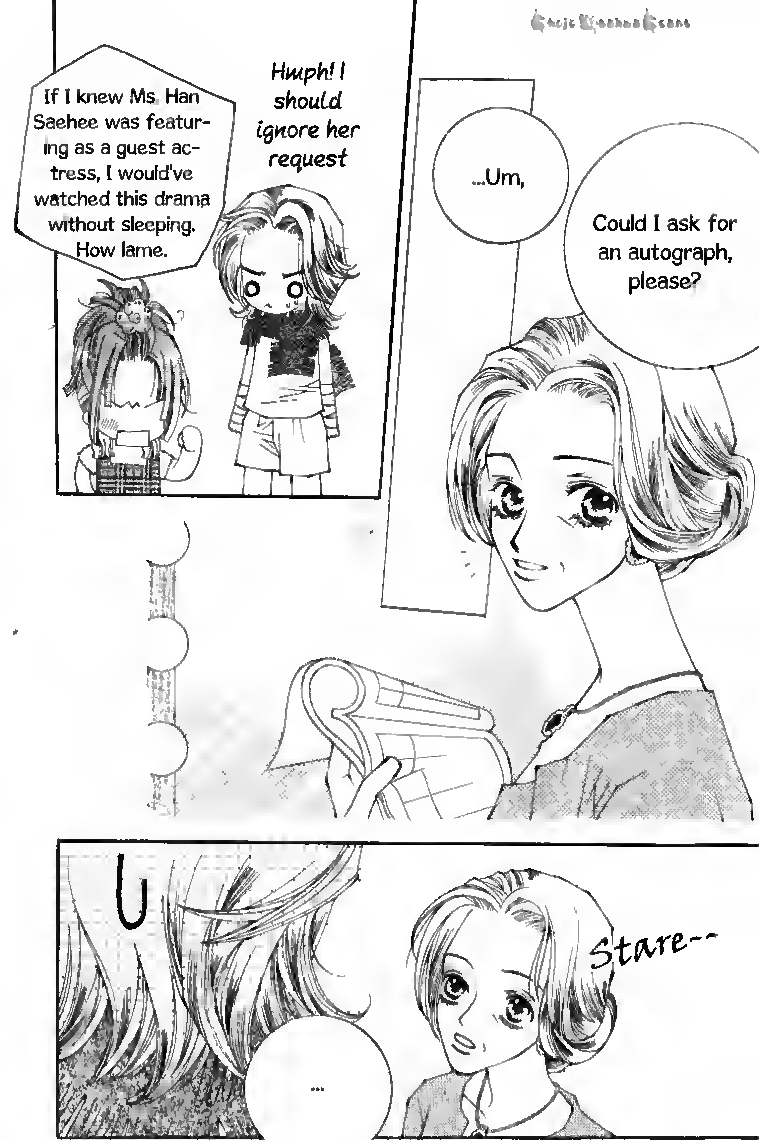
What a lucky day~ I got to witness our careless and cold-hearted prince* giving a massage to someone.
Ms Han here is your script
No way! That person is Ms Han Saehee!!



Hey, hey Bada. Are you close to that lady?
...Why?



Can you get me her autograph, please? Please?
Hmph
She is my favorite actress from the world of drama. Can you do me the favor, please?



If I knew Ms. Han Saehee was featuring as a guest actress, I would've watched this drama without sleeping. How lame.
Huph! I should ignore her request
...Um,
Could I ask for an autograph, please?
U

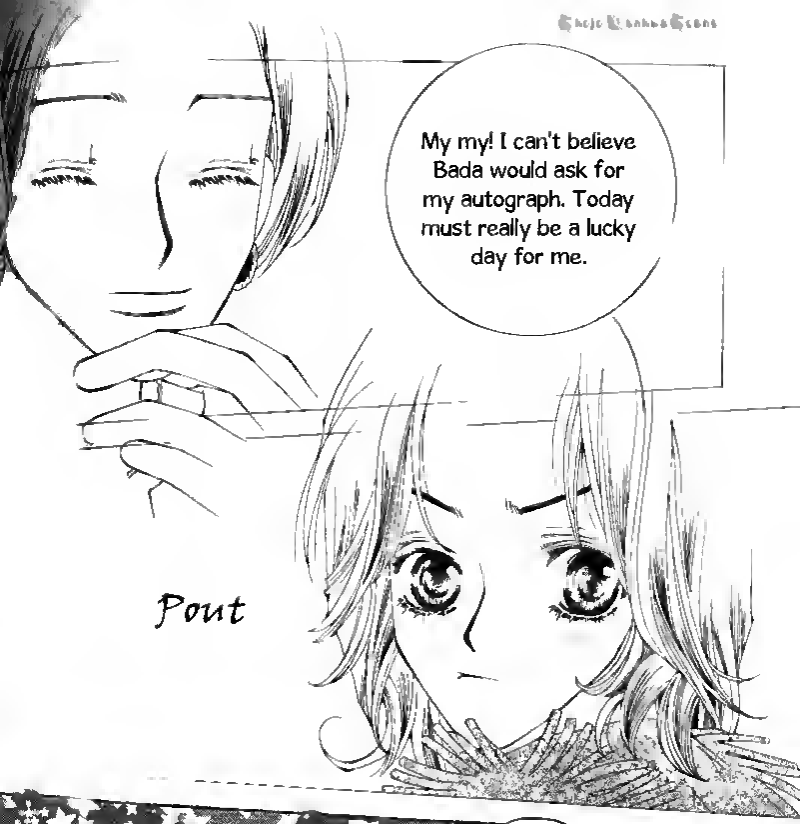
Stare--



My my! I can't believe Bada would ask for my autograph. Today must really be a lucky day for me.

Here you go...
Thank you.

Okay, I will.

Then, I'll see you at home, my son♡

I'm leaving now. Good work today, everyone.
Oh... yes, Ms. Han Good bye. I'm looking forward to your help once again.

Are you okay, Bada?

You already knew that I'm doing the morning calls starting from today, right?
Wow... Why am I so nervous? Hmm... I'm so nervous that I forgot what I was going to say. I had many things prepared to say, hmm...
Are you still asleep? Or are you...

What am I going to do with her really!!

I was just about to ring the doorbell.

Did you know I called you in the morning? You didn't pick up, so I came just in case.
Danbi told me that because of your low blood pressure, you have hard time of waking up. That's why...

Click
Um, hey... Are you mad because I came over?

That's right.

I'm...I'm sorry. Danbi told me she went to your place when you didn't pick up... That's why I also...
Your 'Danbi said this!' 'Danbi said that' is getting to my nerves.

That's...

I didn't do it on purpose. I'm sorry. Sob!

What is your intension, Jun Danbi!
Eden.

You better not pretend like you don't know what Yu Ah Ryun did this morning.

Who * Hates * Who?
Ugh... That again! He's trying to be intimidating by talking like that!
IT'S TRUE! YOU ARE ALWAYS NAGGING AT ME AND MAKING ME MISERABLE.

THAT'S BECAUSE YOU...
I know.
I know that we don't get along because I'm also hotheaded. That's why I passed on the job to Ah Ryun who has a good personality.
I'm sorry for making the decision without your permission, but you'll like her once you get used to her.

Think about it! Pretty face, good-hearted, nice, what more can you ask. Later on, you'll actually come to thank me instead.
SHUT UP! WHO TOLD YOU TO BE MY MATCHMAKER? IF YOU HAVE TIME FOR THAT, DO YOUR REAL JOB PROPERLY. ALL I SEE IS YOU NOT WANTING TO BE MY MANAGER! AND GIVING AWAY YOUR JOB HAPPILY WHEN AN OPPORTUNITY CAME!
Oh no~ The atmosphere is super serious!!~

Ah! She's hesitating she's hesi-tating

No Danbi! Hurry up and tell him that he's wrong!!

So what's your conclusion!
Are you saying you would

I only agreed to Woo Ryum's idea of having you as our manager thinking that you might satisfy my boredom, but all we do is argue with each other. I'm tired of it.

You're fired.

Well, it's not like people are gonna believe you, hah!

Huaaaaa~ Being a matchmaker is difficult, very difficult

I wanted to help Ah Ryun get closer to Eden even just a little bit. Was I really at fault for doing so without asking his thoughts?

No matter how hard I think about it, that's the only reason for him to get mad.

Kojo Manhwa Scans

I know I was at fault yet I couldn't control my temper
I am really angry at myself. I thought I was better than this! How can I be so narrow-minded!
It's too uncomfortable to leave the situation like this. I can't do anything about getting fired, but I can go apologize to him

No pain no gain. I have no choice but to face him to apologize~~~

Because of me, you had to deal with both injuries and the scandal... I heard you were bullied as well.

Don't tell me you were upset because Ms. Han Sae Hee went to an anniversary trip with her husband so you thought 'I'm gonna take a trip as well' and went to the airport, but you didn't want to travel alone, so you came to Paris, where we are at, right?
Dammit

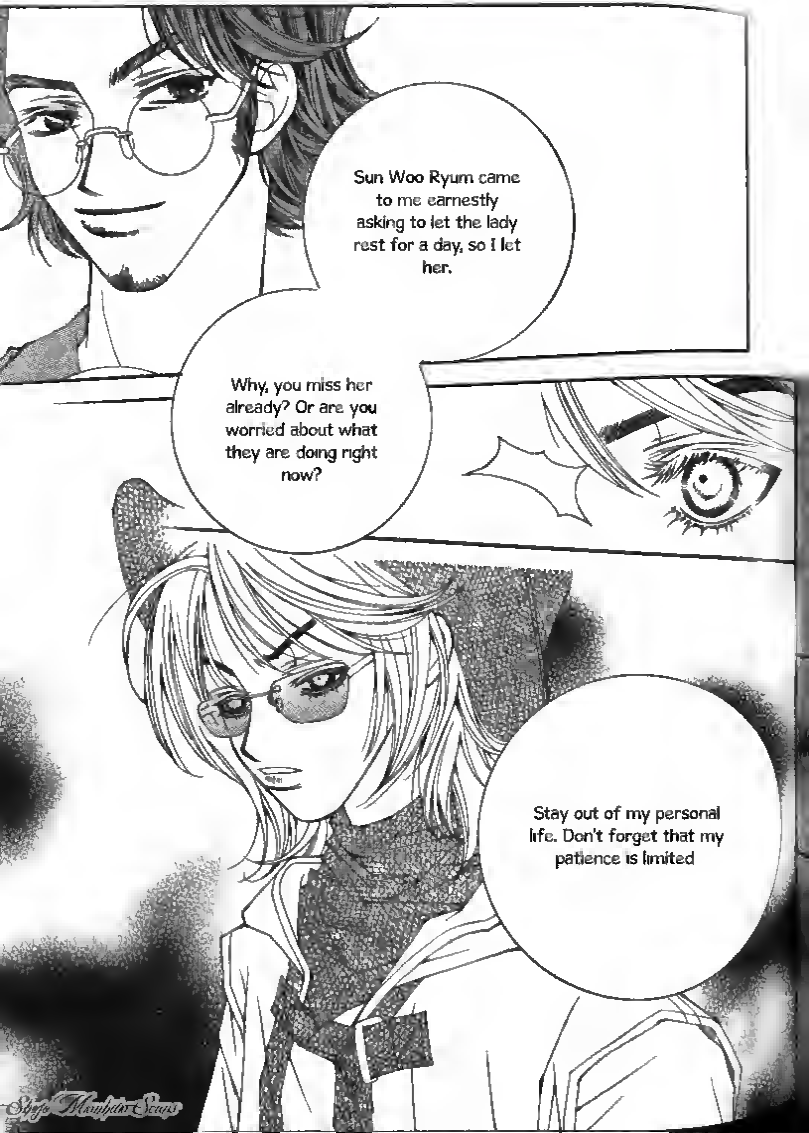
Director! Did you send Danbi to a faraway errand? By the looks of it, she must be lost somewhere
No— She's taking a day off for another appointment
appointment?
Oh my, you didn't know about the date that she has with Sun Woo Ryum?

Single Mountain Snow



Sun Woo Ryum came to me earnestly asking to let the lady rest for a day, so I let her.
Why, you miss her already? Or are you worried about what they are doing right now?
Stay out of my personal life. Don't forget that my patience is limited

Did I go too far...
Then I'll see you at the final rehearsal, supervisor.
Alright, see you tomorrow, Eden.
Director! If you keep bothering Eden, I won't stay calm!
